WITS 2023 Communique: Call to Climate Action

The World Indigenous Tourism Alliance (WINTA) and Western Australian Indigenous Tourism Operators Council (WAITOC) hosted the 2023 World Indigenous Tourism Summit held from 13th to 16th March 2023 on the lands of the Whadjuk people of the Noongar nations.

The summit's theme: 'Tourism and Indigenous Earth Wisdom Weaving the Future that Benefits All' emphasises the role Indigenous values and wisdom play in building tourism to be better equipped to survive in the future, asserting Indigenous rights in our home countries, and nurturing a growing awareness for the need to unite and engage in the equitable development of Indigenous economies globally.

2023

Noongar Indigenous Tourism Research Protocol Declarations and Recommendations

PREAMBLE

The World Indigenous Tourism Alliance (WINTA) was created from the global, collective aspirations of Indigenous interests in tourism. WINTA is an Indigenous initiative that is based on key Indigenous human rights including the right to maintain and strengthen their distinct political, legal, economic, social and cultural institutions.

WINTA is an Indigenous-led global network of Indigenous and non-Indigenous peoples and organizations seeking to give practical application to the United Nations Declaration on the Rights of Indigenous Peoples (UNDRIP) through tourism. WINTA is the guardian of the Larrakia Declaration that establishes principles for the development of Indigenous tourism on an international level based on the UNDRIP.

It is an important endeavour to guide projects that respect Indigenous rights, driving the activity toward decolonizing methodologies, Indigenous Peoples and territories. Certain academic writings propose for consideration by researchers when conducting Indigenous research, reciprocity, relevance, respect and reverence.

In two parts, the first one establishes Declarations about Indigenous tourism and the second part focuses on Recommendations for academia or researchers pursuing a research project with and for Indigenous Peoples.
